

## HIV Nursing Practice Workshop

3 November to 28 November 2021

*Supported by an unrestricted grant from*

*Gilead Sciences Pty Ltd*

*Endorsed By*

A four week interactive, facilitated online comprehensive workshop for nurses who work, or are preparing to work, with HIV positive clients and wish to increase their knowledge and skills. The workshop recognises the unique role and knowledge of nurses in HIV care.

### **Topics covered include:**

- Immunopathology
- Pharmacology
- Management of exposures
- Issues for specific groups
- Legal issues
- Psychosocial
- Prevention

The workshop is co-ordinated by Nurse Consultants & Nurse Educators and each session is presented by a recognised expert.

The Workshop is equivalent to 25 hours of Continuing Professional Development, as per The College of Nursing CPD Program.

Fax: (02) 9332 9775  
Website: <http://thealbioncentre.org.au/education-and-information>

*The workshop is a joint initiative of Sydney Children's, Royal Prince Alfred, Prince of Wales, Westmead and Concord Hospitals, The Albion Centre and Central Sydney Community Health Services. Working towards the virtual elimination of HIV transmission and the elimination of Hepatitis C as a public health threat by 2030.*

**Learning outcomes. It is anticipated that on completion of the Workshop participants will be able to:**

- Participate in the nursing management of people with HIV infection and disease, including those taking antiretroviral treatments
- Implement nursing strategies to ensure the psychosocial needs
- Refer patients appropriately to specialist health care professionals
- Initiate infection prevention and health promotion activities with patients
- Identify key issues in providing appropriate HIV services that meet the needs of all people with HIV including women, children, transgender clients and people from culturally diverse backgrounds
- Participate in ethical decision making in clinical practice
