

HIV Nursing Practice Workshop

Monday 10 – Thursday 13 October 2022

9am to 4.30pm

Supported by an unrestricted grant from Gilead Sciences

Pty Ltd

Endorsed by

This comprehensive and practical workshop is for nurses who work, or are preparing to work, with HIV positive clients and wish to increase their knowledge and skills. The workshop recognises the unique role and knowledge of nurses in HIV care.

Topics covered include HIV:

- Immunopathology
- Pharmacology
- Management of exposures
- Issues for specific groups
- Legal issues
- Psychosocial issues
- Prevention

The workshop is co-ordinated by Nurse Consultants & Nurse Educators and each session is presented by a recognised expert.

The Workshop is equivalent to 25 hours of Continuing Professional Development, as per The College of Nursing CPD Program.

Location: Surry Hills, Sydney - Australia

Free Enrolment – Gilead Science Sponsored
